

Technical drawing of a window frame cross-section. The drawing shows a horizontal frame with a central opening. Dimensions are indicated in millimeters (mm). The total width of the frame is 2320 mm. The width of the central opening is 2334 mm. The width of the frame on either side of the opening is 188 mm. The height of the frame is 180 mm. The drawing includes callouts for various components: 31 (outer frame), 29 (inner frame), 28 (central opening), and 31 (outer frame).

Technical drawing of a 300x2320mm profile. The drawing shows a cross-section of a profile with a total width of 300mm and a total length of 2320mm. The profile has a central section with a width of 2334mm and two side sections with a width of 188mm each. The profile is divided into three main sections: a left section with a width of 180mm, a middle section with a width of 2320mm, and a right section with a width of 180mm. The profile is labeled with dimensions and callouts: 30, 29, 28, 29, 30, 15, 180, 2320, 180, 15, 188, 2334, 188, and 2710.

Technical drawing of a rectangular plate. The overall dimensions are 2710 (length) by 160 (width). The plate features three vertical slots. The first slot is located 188 units from the left edge. The second slot is located 2334 units from the left edge. The third slot is located 188 units from the right edge. The distance between the first and second slots is 2146 units. The distance between the second and third slots is 150 units. The slots are labeled with circled numbers: 29 for the first and third slots, and 28 for the second slot.

23

Technical drawing of a shaft with the following dimensions and features:

- Overall length: 249
- Left flange width: 86
- Shaft length between flanges: 224.8
- Right flange width: 86
- Shaft diameter: 32
- Keyway: Indicated by a dashed line on the shaft.
